How can you get involved?

Parents and Friends

Our Parents & Friends Association (P&F) is central to building a connected, vibrant College community. Through events, initiatives and fundraising, the P&F creates meaningful opportunities for our students. We encourage families to get involved and help shape the future of our College.

Volunteering

Volunteering at the College is a meaningful way to support our students, enrich school life, and strengthen our community. Whether helping at events, programs, or activities, every contribution makes a difference.

Donate to our Building Fund

As our College continues to grow, so too do our facilities—creating more opportunities for our students and community. Every new space we build is more than bricks and mortar; it's a foundation for learning, creativity and connection. Your voluntary tax-deductible donation to the BCC Building Fund directly supports current building projects and ensures our College continues to thrive well into the future. Email accounts@bcc.net.au

Join in sponsoring our College

With the generous support of sponsors, the College expands access to opportunities for our students - from subsidising travel for tournaments, competitions and performances, to investing in equipment and resources that enrich their learning experience. Together, we can ensure that every student reaches their full potential. Join us in 2026 and make a lasting impact on the next generation of leaders, innovators and creators.

For any of the above opportunities visit bcc.net.au or email info@bcc.net.au to express your interest.

Thank you to our sponsors
